

## INTERVENTION

### Role of the Denominator as the Number We Divided By

Each Intervention Anchor Chart contains steps to allow the child to investigate independently.

Children investigating an Intervention may be provided with the Intervention Anchor Chart as a guide to follow as they investigate independently.

Children investigating an Intervention may have their progress recorded in the Progress Sheet.

Role of the Denominator as the Number We Divided By ..... [page 2](#)

Progress Sheet ..... [page 3](#)

Have a strip of paper.

Divide the strip into 2 equal parts.

What fraction do we get when we divide by 2?

$$\div 2 = \frac{1}{2}$$

Record that we divided by 2 and we got a half.

Explain that we divided by 2 and the denominator is 2.  $\div \textcircled{2} = \frac{1}{\textcircled{2}}$

Divide the strip into 4 equal parts.

What fraction do we get when we divide by 4?

$$\div 4 = \frac{1}{4}$$

Record that we divided by 4 and we got a quarter.

Explain that we divided by 4 and the denominator is 4.  $\div \textcircled{4} = \frac{1}{\textcircled{4}}$

Divide the strip into 3 equal parts.

What fraction do we get when we divide by 3?

$$\div 3 = \frac{1}{3}$$

Record that we divided by 3 and we got a third.

Explain that we divided by 3 and the denominator is 3.  $\div \textcircled{3} = \frac{1}{\textcircled{3}}$

Explain that the denominator tells us the number divide by.

Reflection: What the denominator tell us?

# Progress Sheet

Child's Details (Name and Intervention Concept):
--

Each day, record the child's progress. This record, along with the child's recordings and explanations, can be used as: **ASSESSMENT OF LEARNING (SUMMATIVE)** – at any point in time the child's demonstrated level of understanding may be recorded for tracking and reporting purposes.

**ASSESSMENT FOR LEARNING (FORMATIVE)** – the teacher may use the child's demonstrated levels of understanding over time to plan, implement and evaluate further teaching and learning. Recording daily will allow the teacher to identify irregular learning progress, where the child demonstrates understanding in one lesson but not in subsequent lessons. This record can accompany an IEP, and a referral for further support for the child.

**ASSESSMENT AS LEARNING (FORMATIVE)** – the child may be shown this record to allow them to identify their learning progress. The teacher will use their teacher professional judgment to decide whether this is appropriate.
